

IMPORTANT: → **Read this BEFORE clicking the link at the bottom of this page.**

1. You can send up to 5 photos/files at a time – if branding, include agent photo and company logo. Photos must be in a .jpg or .jpeg format.
2. Continue until all photos/files are uploaded.
3. Be selective about the photos you want to receive text. (**Too much text distracts your audience from the tour.**)
4. Photos can receive 2 lines of text; a main title/text line, and a second subtitle/text. (Number of text characters are as noted below.)
